Welcome to a new way of living

In one of Tel Aviv's most sought-after neighborhoods, Canada Israel has redefined what it means to buy a home.
by choosing to partner with a cutting-edge design and visualization platform. The result is an exclusive living experience resulting Multiple layout options, 3D real time design and a VR Experience!
Plus every product on the 3D is real and available to purchase!

All included, with no need for an architect, or a 3D team.
Canada Israel has elevated the standard — giving you effortless access to top-tier design, fully customized to your taste.

Rainbow isn't just a home — it's a curated living experience, designed entirely around you.
